BUG

Hooray!

Mitzi Johnson Is a Hero for Vermont Kids

Investing in Vermont's kids is an investment in Vermont's future.

Mitzi is a champion for our children in the State Legislature and knows the importance of high-quality early childhood education and care. She has been fighting for increased childcare assistance, which helps more parents get back to work and ensures Vermont can grow its small businesses.

On November 6, vote Mitzi Johnson for State House. She'll be the advocate our kids need in Montpelier.
